Hi Jason & Ayn,

Apologies again for the audio troubles during our meeting today.

As discussed in the meeting, I am attaching here some draft FAQ's. I have answers drafted for each question but before I included everything I thought we could nail down the FAQ's that we would like to use or discuss if we'd prefer to turn it into a fact sheet.

I am also attaching this simple spreadsheet that I was using for myself for planning in September. It may not be helpful at this point but sharing in case you do find it helpful.

Lauren
